We partner with School and Student Services (SSS) by NAIS in our

financial aid process. To begin your financial aid application, you will complete SSS's Parents' Financial Statement (PFS).

Using their unique methodology, they estimate the amount you can contribute to school expenses and forward that estimate to Rohan Woods School.

APPLYING FOR FINANCIAL AID

at Rohan Woods School for the 2023-2024 Academic Year

The PFS is a comprehensive application that will take some time to complete. Give yourself the time you need by not waiting until the deadline to begin. It's important to note the difference between the deadlines for admission and financial aid applications.

You'll need your 2021 tax return (or your 2022 if available) before beginning the PFS. We also recommend that you review the wide range of materials that SSS has put together to help families with the financial aid process. They can be found at sssbynais.org/parents.

TOP 10 TIPS FOR COMPLETING YOUR FINANCIAL AID APPLICATION

- 1 Complete only one PFS per household.** You can apply for aid to any number of schools for any number of children using just one PFS for the same flat fee.
- 2 Use your legal name.** Make sure your name on your Parents' Financial Statement (PFS) appears exactly the way your name appears on your tax documents.
- 3 Enter whole numbers.** When entering numbers, do not enter decimals or cents— simply round to the nearest whole number. Understand that all monetary values must be in US Dollars.
- 4 Differentiate applicants from dependents.** Questions about "student applicants" refer to your children who are applying for financial aid via the PFS. Questions about "other dependents" refer to the children (or adults) for whom you provide support but *ARE NOT* applying for financial aid.
- 5 Separate salary from profit.** If you are a business owner or farm owner, you will be asked about your salary in the Family Income section. Enter only the amount you actually draw as salary (as reported on your W-2). You will provide information about profit/loss elsewhere in the PFS.
- 6 Estimate your taxes.** Please use your 2021 tax return and estimate your taxes for 2022.
- 7 Don't forget the cover sheet.** If you mail additional required documents to SSS, please include the SSS cover sheet. Your documents will then be properly matched to your application and you'll avoid delays. Give yourself at least 10 days before the deadline of January 13, 2023, to allow for SSS processing time. (Winter Break is a great time to complete)
- 8 Tell your story.** Offer explanations when requested, so your story or situation is clear and understandable to those reviewing your application. 
- 9 Calculate debt and unusual expenses.** When asked to report your credit card debt, enter your total outstanding balances and use the Notes section to specify the type of purchases you made with the cards. When asked to total your "unusual expenses," you'll find a list of the types of expenses you should and should not include.
- 10 Be honest.** Take time to carefully consider how much you think you can pay towards tuition on your own. Make a budget of income and expenses and see how much you can include for school costs.
